Location:

Located around a pristine horseshoe coral sand cove, on the largely untouched south coast of Mauritius, Shanti Maurice is spread over 36 acres of tropical gardens, surrounded by sugar-cane fields, lush hills and the turquoise Indian Ocean.

The island of Mauritius basks in an all-year-round sub-tropical climate. The coastline is surrounded almost entirely by coral reefs and dramatic mountains rise above the extinct volcanic craters, rivers and waterfalls of the island's central plateau.

Access:

Daily direct flights from Europe with Air Mauritius, Virgin Atlantic, British Airways and Emirates. The resort is 35 kilometres or a 40-minute drive from the airport.
